

## DECLARATION OF PERSONAL INDEPENDENCE

This Declaration is addressed to you, individually, personally and collectively; the bankers, the bureaucrats, the agents, the administrators, the corporate entities, the officers, the officials, the commissioners, the politicians, the President, the speakers, the senators, the representatives, the congressman, the governors, the judges and the lawyers of, by, and for the present de facto corporate states of the United States and the de facto corporate United States who have usurped the Peoples' rightful American republican form of Constitutional government *mandated* by Article 4, section 4 of the Constitution.

When in the course of human events, it becomes necessary for People to dissolve the forced political bands which have connected them with others, and to assume among the powers of the earth, the separate and equal station to which the laws of nature and of nature's God entitle them, a decent respect to the opinions of mankind requires that I should declare the causes which impel me to separate from their insolvent, pretended government. I therefore must state the usurpation and seditious and tyrannical behavior of the present de facto system in each of the 50 states and the United States.

I have never willingly surrendered any of my sovereign rights up to this time, and yet, through chicanery and deceit and legal sophistry, you have abused my own ignorance of common law (as defined in the constitution) to deceive me into involuntary servitude of the present insolvent, corrupt, de facto administrators of the United States or the 50 American states. In the process, you have committed treason of the highest order and have violated your oath:

*"I swear that I will support and defend the Constitution against all enemies, foreign and domestic."*

In fact, by operation of excessive greed and love of money, you have allowed the illegal enforcement of our income tax laws by a corrupt judiciary to trample our God-given rights found in the Bill of Rights.

*"The love of money is the root of all evil." [1 Tim. 6:10, Bible, NKJV]*

You have allowed tyrant judges, shameless lawyers, and a corrupt IRS to extort, harass, and terrorize law-abiding citizens who do not want to participate in or benefit from the income tax Social(ist) Security franchise. You have allowed idolatrous citizens to abuse their voting power for selfish gain in the process of allowing corrupt politicians to buy votes using money borrowed from their children's inheritance. You have turned this once great country into a debtor nation full of socialists that is hostile to liberty and freedom in every respect. In the process, you have sold our children into slavery to pay off debts accumulated by the sins of their parents in clear violation of [18 U.S.C. §1581](#). Treason!

Thomas Jefferson, our founding father, warned of this evil:

*"Funding I consider as limited, rightfully, to a redemption of the debt within the lives of a majority of the generation contracting it; every generation coming equally, by the laws of the Creator of the world, to the free possession of the earth He made for their subsistence, unencumbered by their predecessors, who, like them, were but tenants for life." [Thomas Jefferson to John Taylor, 1816. ME 15:18]*

*"[The natural right to be free of the debts of a previous generation is] a salutary curb on the spirit of war and indebtment, which, since the modern theory of the perpetuation of debt, has drenched the earth*

*with blood, and crushed its inhabitants under burdens ever accumulating." [Thomas Jefferson to John Wayles Eppes, 1813. ME 13:272]*

*"We believe--or we act as if we believed--that although an individual father cannot alienate the labor of his son, the aggregate body of fathers may alienate the labor of all their sons, of their posterity, in the aggregate, and oblige them to pay for all the enterprises, just or unjust, profitable or ruinous, into which our vices, our passions or our personal interests may lead us. But I trust that this proposition needs only to be looked at by an American to be seen in its true point of view, and that we shall all consider ourselves unauthorized to saddle posterity with our debts, 1 and morally bound to pay them ourselves; and consequently within what may be deemed the period of a generation, or the life of the majority." [Thomas Jefferson to John Wayles Eppes, 1813. ME 13:357]*

*"It is incumbent on every generation to pay its own debts as it goes. A principle which if acted on would save one-half the wars of the world." [Thomas Jefferson to A. L. C. Destutt de Tracy, 1820. FE 10:175 ]*

*To preserve [the] independence [of the people,] we must not let our rulers load us with perpetual debt. We must make our election between economy and liberty, or profusion and servitude. If we run into such debts as that we must be taxed in our meat and in our drink, in our necessities and our comforts, in our labors and our amusements, for our callings and our creeds, as the people of England are, our people, like them, must come to labor sixteen hours in the twenty-four, give the earnings of fifteen of these to the government for their debts and daily expenses, and the sixteenth being insufficient to afford us bread, we must live, as they now do, on oatmeal and potatoes, have no time to think, no means of calling the mismanagers to account, but be glad to obtain subsistence by hiring ourselves to rivet their chains on the necks of our fellow-sufferers." [Thomas Jefferson to Samuel Kercheval, 1816. ME 15:39]*

You have violated the United States Constitution when creating interstate compacts with other States and foreign states, which fundamentally changed the form and substance of the Republican form of government to that of a totalitarian socialist democracy.

You have raped and debauched the specie by which governs the mode of the medium of money, and have bankrupted the Nation as a whole through conspiracy and sedition under treaty. The U.S. Constitution, under [Article I](#), Section 10 of the U.S. Constitution, which still reads:

*"No state shall...coin money, emit bills of credit, make anything but gold and silver a tender in payment of debts..."*

Following the civil war, in 1868, you coerced legislators of the southern states to ratify the [14th Amendment](#) at gunpoint, which subsequently created a new class of U.S. citizenship originally meant only for slaves and which carried with it less than full constitutional rights. The cite below clarifies this from *Elk v. Wilkins*, [112 U.S. 94](#) (1884):

*"By the thirteenth amendment of the constitution slavery was prohibited. The main object of the opening sentence of the fourteenth amendment was to settle the question, upon which there had been a difference of opinion throughout the country and in this court, as to the citizenship of **free negroes**, (Scott v. Sandford, 19 How. 393;) and to put it beyond doubt that all persons, white or black, and whether formerly slaves or not, born or naturalized in the United States, and owing no allegiance to any alien power, should be citizens of the United States and of the state in which they reside. Slaughter-*

*House Cases, 16 Wall. 36, 73; Strauder v. West Virginia, 100 U.S. 303, 306. “[Elk v. Wilkins, 112 U.S. 94 (1884)]*

You then deceived everyone born in the nation into falsely believing that they were “U.S. citizens” with inferior rights, and thereby created a contractual nexus within equity law under Section 4 of the [14th Amendment](#) to violate the prohibitions against direct taxation found in [Article 1](#), Section 2, Clause 3 and [Article 1](#), Section 9, Clause 4 of the U.S. Constitution.

I’m not a freed slave nor do I want to be treated as a second class citizen like the freed slaves were, with no Bill of Rights. May God’s judgment be upon you for trying to use words of art in the law and deceptive government forms containing LIES to *entice me into slavery to a government that I did not consent to!*

*“Single acts of tyranny may be ascribed to the accidental opinion of a day. But a series of oppressions, pursued unalterably through every change of ministers, too plainly proves a deliberate systematic plan of reducing us to slavery”. [Thomas Jefferson]*

You allowed a corrupt, lame-duck secretary of state, Philander Knox, to fraudulently declare the 16th Amendment ratified in 1913. When the Supreme Court would not authorize the direct tax you sought using the 16th Amendment, you obfuscated the tax code to fool law-abiding citizens with “words of art” such as a “trade or business” into thinking that they were liable for an excise/franchise tax they didn’t owe and are being unlawfully compelled to participate in. The product of this debauchery has been such a complicated tax code that few truthfully or completely understand today.

You subsequently sold your nation into debtor slavery by passing the Federal Reserve Act of 1913, which turned over control of our nation’s money supply to PRIVATE banking interests which you then refused to audit or oversee. This was one of the greatest acts of treason this country has ever seen and the judgment of God is upon you for that. In the process, you lawlessly and illegally delegated powers that you had **no constitutional authority** to delegate and which violated the public trust. Thomas Jefferson warned of this evil, when he said:

*“If the American people ever allow private banks to control the issue of their currency first by inflation and then by deflation, the banks and corporations that will grow up around them will deprive the people of all property until their children will wake up homeless on the continent their fathers conquered”. [Thomas Jefferson in 1802 in a letter to then Secretary of the Treasury, Albert Gallatin]*

In 1929, you allowed the Federal Reserve to manipulate the money supply so low as to create an induced national crisis and depression situation that then became the nexus to further illegally expand the powers of the national government. In that same year, on March 9, 1933, you passed the Trading with the Enemy Act to create a state of national emergency. You used this as an opportunity to plunder all the gold and silver from sovereign citizens and thereby coerce them to accept the paper (fiat) money they didn’t want and which the Constitution did not authorize.

That state of national emergency, still in existence today, illegally expanded the powers of the president and the national government under the guise of a government-induced national emergency. Hitler did the same thing when he passed Article 48, the German Emergency Power Law:

*German Emergency Power Law*

*"If the public safety and order in the German Reich are seriously disturbed or endangered, the President of the Reich may...suspend in whole or in part the fundamental rights established [including] inviolability of person, inviolability of domicile, freedom of opinion and expression, freedom of assembly and association, secrecy in communication and inviolability of property."*

You then abused this crisis and through demagoguery and lies implemented the *socialist security system* that, like a cancer, began eating away at our liberties, one by one in the slow death of a republic. This began the relentless march of the *totalitarian socialist democracy* that we now find ourselves in, and which I will have no part of. You lied when you started the socialist security program by telling us that the number you gave us (spoken of unfavorably in the Bible, in Revelation 13:16-18) would *not* be used for identification. Now, you have written all kinds of laws that make it nearly impossible to function in society without that number. Now everyone must violate their Christian beliefs and accept what may be the first instance of the "the mark of the beast", in full violation of the First Amendment.

*"And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six."*  
*[Revelation 13:16-18, the Bible]*

You then offered up the American States, and therefore the property of all the inhabitants, as collateral to pay the foreign organization, the International Monetary Fund and bank, in 1945. You authorized the private International Monetary Fund, via Federal Reserve Banks, to control the issue of our currency, by inflation and deflation and fiat de facto dollars, to the extent that people today are being deprived of all their property, driven homeless, and controlled by the very same banking cartel that forced our forefathers to this country for refuge, all to pay your bankruptcy-not mine. Their manipulation of the money supply has introduced a new kind of invisible tax called inflation that amounts to about 13 percent per year, but which would not occur if you had followed the Constitution and only allowed gold or silver money.

You have created, by sophistry, a class of people known as United States citizens that has caused domestic unrest amongst those of us, who still call ourselves Americans by birth of Blood, Soil, and Crown (Crown meaning God, whence all rights come). We threw off all Kings over two hundred years ago, only to be enslaved by men of your despicable political ilk.

You have secretly entered compacts with foreign states, organizations and powers, which caused the bankrupt status of not only the 50 American State governments, but put all Americans into involuntary bankruptcy and forced me into slavery, peonage, and involuntary servitude, under a fraudulent, tyrannical, seditious foreign oligarchy.

These foreign powers, operating through the Fund and Bank under Bretton Woods Agreement Act, rule the governments of the separate States of America and United States, by compacts, pactum and the like, and have erected a dictatorship over the people of America, who are non-residents to such compact, thereby making it, as it applies to me, a sovereign, nadum pactum.

The Secretary of Treasury, as Governor of the Fund and Bank, and not an officer of the United states in the normal sense that people perceive, controls all aspects of forced pecuniary contributions (taxation). He is also the Receiver and Trustee in bankruptcy of the United states to collect and pay the Fund and

Bank, all at the cost of my freedom under Foreign Constitutions, agreements, Piquancy, Confederations, Alliances, and under pretenses of emergency, March 9, 1933, December 16, 1950, March 23, 1970, and August 15, 1971, which you yourselves created.

As a bankrupt system, you commit a crime whenever you loan money, for under all principles of law and reason, bankrupt persons are forbidden to loan money, nor are they allowed to institute criminal mala prohibita actions against the people, and neither can the foreign principal.

Through the unconstitutional operation of our tax laws and the requirement to use Social Security Numbers, you have conspired to deprive Americans of their privacy by making it virtually impossible to conduct a financial transaction without incriminating oneself in violation of the Fifth Amendment.

The Secretary of Treasury, Secretary of State, and the Attorney General are foreign principals of the Fund and Bank under agreement. They are forbidden to be paid by the United States, under Title 22 of the United States Code and Bretton Woods Agreement, thereby holding a colorable law character of public office, while in reality being paid by the Fund and Bank and holding a Title of Nobility, extracting the wealth (labor) from me and other Americans who profess to be Nonresidents to this pretended de facto government (the System). Their foreign agents, revenue enforcers, are never registered so that we might know the true character of the agents when they bear false witness against us when destroying nonresident Americans through legal plunder.

You have forced me, by fraud, indirectly, and without my consent into foreign contracts by application, i.e., Social Security, in order to live and exercise my God-given right to exist, in violation of your pretended constitutions. Because you have made it impossible for me to quit the Social Security Program, you have, in effect, virtually *outlawed personal responsibility*.

You have caused injustice when: taking away the forum of common courts for Americans; controlled the slavery of all judges making them dependent on your will and obligated to illegally pay an income tax that creates a conflict of interest in violation of 28 U.S.C. §144 and 18 U.S.C. §208:

*"In the general course of human nature, A POWER OVER A MAN'S SUBSISTENCE AMOUNTS TO A POWER OVER HIS WILL."*[Alexander Hamilton, *The Federalist*, No. 79]

You have overlooked the tyranny, debauchery, and transgressions of these courts and thereby transformed our nation into a government of men instead of laws. You have failed to correct injustice in the Supreme Court when it denied certiorari for cases which it clearly should have heard, especially as it relates to taxation and appeal from the circuit courts. The federal courts have thereby become an arm of the Executive branch, indicated by the Executive gold fringed flag and seal, and not the arm of independent justice under God's Law of Natural right; have hidden the true justice in the courts at law, as true despots do, so that a man of average or above average intelligence cannot find the true Courts: replaced the Courts with international vice-admiralty tribunals because of the compacts with foreign powers, to which, YOU, under the guise of government, have become servant; this then makes the judges nothing more than civil affairs operatives under military power, and they too are not registered, in violation of the Foreign Registration Laws of this country.

You allow the National Conference Commissioners of State Law, being lawyers, judges and the law profession belonging to a private American Bar Association, exclusively to write the laws for America,

then rubber stamp them under the guise of a representative Congress of the people in direct violation of your pretended constitutions and in violation of your oaths that you pretend to take.

You have assigned the exclusive power to litigate cases before your tribunals to the bar association, to which most of you belong. This is in violation of the Titles of Nobility Clauses of the pretended constitutions, which deprives me of a jury of my peers, and counsel of my choice, as no alien American can sit on your juries, for they are all shilling homage juries and shilling defense attorneys.

You have allowed an unconscionable contracting foreign agency (IRS), in concert with the Agency for International Development, to illegally collect your debt, to which I never agreed and consented, which eats out my substance, all in order to pay for your greed, in violation of your peonage laws (see [42 U.S.C. §1994](#) and [18 U.S.C. §1581](#)). This same IRS illegally enforces a Subtitle A of the Internal Revenue Code outside the District of Columbia. I.R.C. Subtitle A describes an indirect excise tax upon a "trade or business", which is a "word of art" that is defined in [26 U.S.C. §7701\(a\)\(26\)](#) to mean a "public office". [4 U.S.C. §72](#) requires that all public offices shall be exercised ONLY in the District of Columbia and not elsewhere, and there is no statutory authority for public offices elsewhere. Consequently, this tax may not lawfully be enforced outside the District of Columbia except as expressly provided by Congress. You have looked the other way while this agency and the federal courts raped and pillaged Americans in states of the Union, because you didn't have the decency to control your own lust for power and money and the debt that feeds it which must be paid off with extorted tax dollars.

You have twisted the definitions of words, as true sophisticators, to suit the means by which you enslave the masses, which deprives them of the right to: travel, work, farm, own property in allodium, free from taxation, as it should be, and to be let alone.

***"Woe to you lawyers! for you have taken away the keys of knowledge; you did not enter yourselves, and you hindered those who were entering."*** [Luke 11:52 woe unto lawyers who write a law to deliberately be confusing or who use or interpret a law that is written in a confusing way to hide the truth or deceive people for their own selfish gain]

You create Mala Prohibita crimes under foreign pactum, then coerce me to sign instruments containing perjury statements under this pactum, against my consent, or be fined or jailed, in order to live. You are the biggest whoremongers of the people's liberty by being sophisticators, legalist, and miscreants of the highest order, in your legal plunder with the foreign organizations and powers that now control us. You have destroyed my freedoms and unalienable (nontransferable) rights given to men by my God (not your Mammon), by your arbitrary dominion over me and mine without my consent.

You have come full circle, and then some, in your absolute despotism when imprisoning and killing innocent Americans for exercising their God-given rights. At every stage of these tyrannical oppressions Any petition for redress, has been continually denied proving that is now semblance of true Justice. You have destroyed my Peace, Welfare, Dignity, and Happiness, the damages to which have been higher than mere money can repay. According to Natural Law and reason, you should be hanged for your seditious behavior, odious actions and contrived emergencies that have never been legally declared over. You have been deaf to the voice of Justice and of consanguinity. Nor have you been wanting, for information has been conveyed to you from the American nonresidents of your arbitrary dominion and usurpation. The time for correction has come and the Lord of all creation will meet out your portion!

I must, therefore, denounce your way against me and other Americans so I can live under God's Laws which you proclaimed under P.L. 97-280, not the Noahide law you passed in P.L. 102-14, which destroys this Christian Nation and which shows your pretended constitutions for that which they are. For God, the true Lawgiver (see Isaiah 33:22), acknowledged in the Preamble of each American State, said,

"After the doings of the land of Egypt, wherein ye dwelt, shall ye not do: and after the doings of the land of Canaan, whither I bring you, shall ye not do: neither shall ye walk in the [government] ordinances. Ye shall do **My** judgments, and keep **Mine** ordinances, to walk therein: I am the Lord your God. Ye shall therefore keep **My** statutes, and **My** judgments: which if a man do, shall he live in them: I am the Lord." Leviticus 16:3-5.

"Thou shalt make no covenant with them [governments] nor with their gods [the corporations who own them]. They shall not dwell in thy land [true domicile], least they make thee sin against me; for if thou serve their gods, it will surely be a snare unto thee." Exodus 23:32-33.

*"Behold, the nations are as a drop in the bucket, and are counted as the small dust on the scales."* [Isaiah 40:15, Bible, NKJV]

*"All nations before Him are as **nothing**, and they are counted by Him **less than nothing and worthless**."* [Isaiah 40:17, Bible, NKJV]

*"He brings the princes to nothing; He makes the judges of the earth useless."* [Isaiah 40:23, Bible, NKJV]

*"Indeed **they are all worthless; their works are nothing**; their molded images [counterfeit system of justice] are wind and confusion."* [Isaiah 41:29, Bible, NKJV]

You have failed to live up to the true intent of Romans 13 of the Holy Bible. As usurping Miscreant Legislators of separate States of America and the United States you have failed. Your laws do not protect me, for you will not protect me from your foreign principal (You are no longer controlled by the people who GRANTED you your power). Robin v. Hardaway, 1 Jefferson 109 (1772) states:

*"A legislature must not obstruct our obedience to Him [God] from whose punishment they cannot protect us."*

Therefore, we, as the people of America, who gave you the power you now enjoy, must revoke *all* your granted power, and reform or destroy the organization that has no place in America because of the evil and injustice you have institutionalized and fostered in the name of vanity, idolatry, greed and lust for power.

Upon finding of your fraud, I now declare total separation, retroactively to the very beginning of my life as it should have been, from your arbitrary dominion and seditious actions. My liberties are in imminent danger; they are imperative to my Natural Rights, Duties, Privileges, Immunities, Life, and Property, and that of my posterity. I declare my separate and equal and sovereign station, and exercise my right and duty to throw off and abolish the insolvent de facto, fraudulent, seditious state and United States from my life, for you can no longer truthfully call yourselves "government". When it comes to money, "mafia" has become a more appropriate term to describe your behavior.

*"But money demands of you the highest virtues, if you wish to make it or to keep it. Men who have no courage, pride, or self-esteem, men who have no moral sense of their right to their money and are not willing to defend it as they defend their life, men who apologize for being rich--will not remain rich for long. They are the natural bait for the swarms of looters that stay under rocks for centuries, but come crawling out at the first smell of a man who begs to be forgiven for the guilt of owning wealth. They will hasten to relieve him of the guilt--and of his life, as he deserves. "Then you will see the rise of the double standard--the men who live by force [the government and the IRS and scumbag lawyers and financial banksters], yet count on those who live by trade to create the value of their looted money--the men who are the hitchhikers of virtue. In a moral society, these are the criminals, and the statutes are written to protect you against them. But when a society establishes criminals-by-right and looters-by-law- -men who use force to seize the wealth of DISARMED victims-- then money becomes its creators' avenger. Such looters [IRS] believe it safe to rob defenseless [made ignorant of the law by sneaky lawyers and politicians who run the public education system, in this case] men, once they've passed a law to disarm them. But their loot becomes the magnet for other looters, who get it from them as they got it. Then the race goes, not to the ablest at production, but to those most ruthless at brutality. When force is the standard, the murderer wins over the pickpocket. And then that society vanishes, in a spread of ruins and slaughter.*

*"Do you wish to know whether that day is coming? Watch money. Money is the barometer of a society's virtue. When you see that trading is done, not by consent, but by compulsion--when you see that in order to produce, you need to obtain permission from men who produce nothing--when you see that money is flowing to those who deal, not in goods, but in favors--when you see that men get richer by graft and by pull than by work, and your laws don't protect you against them, but protect them against you--when you see corruption being rewarded and honesty becoming a self-sacrifice--you may know that your society is doomed to destruction. Money is so noble a medium that it does not compete with guns and it does not make terms with brutality. It will not permit a country to survive as half-property, half-loot.*

*"Whenever destroyers [the IRS, the [Federal Reserve](#), and the [Dept of Justice](#)] appear among men, they start by destroying money, for money is men's protection and the base of a moral [worldly] existence. Destroyers seize gold and leave to its owners a counterfeit pile of paper. This kills all objective standards and delivers men into the arbitrary power of an arbitrary setter of values. Gold was an objective value, an equivalent of wealth produced. Paper is a mortgage on wealth that does not exist, backed by a gun aimed at those who are expected to produce it.*

*Paper is a check drawn by legal looters upon an account which is not theirs: upon the virtue of the victims. Watch for the day when it becomes, marked: 'Account overdrawn.' "When you have made evil [government looting through fraud, obfuscation and complication of the tax laws, and through vote for sugar-daddies who promise loot] the means of survival, do not expect men to remain good. Do not expect them to stay moral and lose their lives for the purpose of becoming the fodder of the immoral. Do not expect them to produce, when production is punished and looting rewarded. Do not ask, 'Who is destroying the world?' You are." [Ayn Rand, Atlas Shrugged]*

34 It is stated in the Declaration of Independence:

*"That to secure these rights governments are instituted among men.... that whenever any form of government becomes destructive to these ends, it is the right of the people to alter or abolish it..."*

It is recognized in every American State Preamble, that God gave me my natural Rights, NOT you. We are to transmit the same unimpaired to succeeding generations. YOU HAVE FAILED! For as that great principled Man, Patrick Henry Stated on June 5, 1788, and I ask all of You:

*“for where, Sir[s] is the responsibility? The yeas and nays will show you nothing, unless they be fools as well as knaves: For after having wickedly trampled on the rights of the people, they would act as fools indeed, were they [you] to publish and divulge [your] iniquity, when they [you] have it equally in their [your] power to suppress and conceal it.” “...Where is the responsibility-that leading principle in the British government? In that government a punishment, certain and inevitable, is provided: But in this, there is no real actual punishment for the grossest maladministration. They [you] may go without punishment, though they [and now you] commit the most outrageous violations on our immunities. That paper may tell me they [you] will be punished. I ask, by what law? They [you] must make the law -for there is no existing law to do it. What--will they [you] make a law to punish themselves [you haven't yet]? This, sir, is my great objection to the constitution, that there is no true responsibility--and that the preservation of our liberty depends on the single chance of men being virtuous enough to make laws to punish themselves,”*

You, the Lawmakers, the lawyers, and the judges, by your actions have long relinquished your trust and last ounce of virtue. Therefore, I, an American by birthright, declare I will regain my Sovereign status in my native country of America, under God's Law, and will keep it Independent from the United Nations “New World Order”, or any other unlawful control. I will proclaim my sovereignty to the world in the eyes of my creator God despite your threats and the punishments you dole out to any who stand up to your tyrannical works of wickedness.

*“When governments fear the people there is freedom. When the people fear governments there is slavery.” [Thomas Jefferson]*

History has shown how tyrants have been punished. May He have Mercy on your souls, for the Americans dispensing your punishment will not. This Sovereign American, William Howard:Morris, is servant only to my Lord, the Supreme Being who sits at the right hand of the Father of creation, and not at the mercy of your pagan god, Baal. Even the Declaration of Independence states the following:

*“We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are life, liberty and the pursuit of happiness. That to secure these rights, governments are instituted among men, **deriving their just powers from the consent of the governed.**” [Thomas Jefferson]*

Over the years, the United States government has wantonly and ever more blatantly disregarded the constitutional constraints on its power and usurped the power of the states in violation of the [Tenth Amendment](#) and has thus exceeded the authority delegated to it by the sovereign people in the Constitution. Most of the powers it exercises today are completely without legal authority or justification. Through its criminal agents in a corrupt federal judiciary, it has abused sovereign immunity and official immunity in order to make areas under its control within the “federal zone” into havens for financial terrorists at the IRS, who have recklessly disregarded my sacred property and constitutional rights for which the government was instituted to protect from the beginning. The only lawfully sanctioned protector of my rights has thus become its *worst* abuser and violator. In this regard, the “D.C.” in the term “Washington, D.C.” has come to mean for me “District of Criminals”. Henceforth, the U.S. government no longer has my consent to exercise *any* authority beyond that needed to protect my

life, liberty, property, and my Constitutional rights. Because I had a natural right to protect these God given endowments *before* there ever was a government, the exercise of these sovereign stewardship functions over my own person and property through participation in civil functions such as serving on jury duty, voting, and serving in the military, *cannot* and should not be turned into taxable or statutory privileges, and to do so is unconscionable *treason*. Henceforth, any jurisdiction the U.S. government might attempt to assert over this sovereign American beyond that needed by me to participate in the above civil functions is, by implication of the words of Thomas Jefferson in the [Declaration of Independence](#), *nonconsensual and unjust*, and in conflict with God's Laws and will be treated as the naked trespasses of a criminal terrorist organization known as the U.S. government, a for profit corporation.

There are many other corruptions of our de jure republic too numerous to list here which give rise to this firm decision of mine. With that said:

I here present you with a Notice of Understanding and Intent and Claim of Right. I am publically posting this letter and providing a notarized copy to the clerk of court in my birth state as a courtesy in order to avoid any further confusion or potential conflict. By this public posting I am expanding the reach of my discourse in order to maintain my honor and ensure maximum clarity between myself and all agents of government.

As a peaceful man desiring to avoid conflict and live lawfully with maximum freedom as ordained by my Father in Heaven, I have been studying the history of the united states along with its legal system and have come to realize that a silent coup has taken place with regard to what I believed to be our central government. After reading various acts and exploring the way language is used in those acts, I have realized that "lawful" and "legal" are not always the same. It also appears evident to me that all acts and statutes in the US are only contracts based in commerce. Therefore I am now contacting the various government officials named above in the hopes that someone can either confirm or correct my understanding. If you do choose to respond with corrections, I must insist that you do so within Fourteen (14) days of service of this letter, in writing, via registered mail and provide proof of your claim, under oath or attestation with full commercial liability and penalty of perjury. A lack of response or response that does not contain proof of my mistaken understanding, on a point-by-point basis, will be assumed to imply agreement with my understanding. Failure to dispute the claims made herein will result in an automatic default judgment and permanent and irrevocable estoppel by acquiescence. Now, specifically in The United States I understand that there is both a common law and statute law tradition, which is interesting, because I also understand that a statute is a legislated rule of a society, which has the force of law upon members of that society; a society being a fictional legal entity such as a corporation. I also understand that the Government of the US is not a nation as I thought it was, occupying a geographical location, but instead merely a corporation with de-facto authority, rather than lawful. This corporation can only make corporate/contract law that has the force of law only upon its consenting members. From my research, the "law of the land," is the peaceful common law, which is not influenced by acts and statutes but by laws of our Creator God. Under common law, the rights, freedoms, and duties of private individuals have long been established and unlike statute law, common law has had a progression towards more freedom and personal responsibility rather than less.

Among the rights and freedoms understood by common law are such things as the rights to life, liberty, the pursuit of happiness, property and use thereof, privacy, peace, and the ability to travel freely in public without harassment or intimidation. The obligations and duties of those living under common law are essentially to ensure that one does not infringe or allow others to infringe upon those unalienable rights and freedoms. I have also learned that the rights of a free spiritual being cannot be lawfully limited without consent, as that would imply slavery. Effectively, rights are not bestowed upon one by another unless the first gives his/her consent, or the first is the lawful property of the second. The very nature of the concept of consent is that it can only exist amongst equals with full disclosure and without coercion. I do not recall ever being sold or purchased as a slave, nor do I recall giving my free consent to be governed or represented by any governmental agent, although at times I have been deceived and intimidated into submission in ignorance of these facts. It is also important to recognize that various rights and freedoms are self-evident and unalienable. In order for lawful representation to exist, there must be mutual consent, and that consent may be revoked for any reason depending on the nature of a specific contract between the two parties. I am hereby notifying all who read this and any other interested parties that I have revoked my consent to be governed by fictitious corporate entities with which I do not have a subsisting contract. I declare that I am neither a child nor a slave, but a free man capable of administering my own affairs.

It is taught that since the creation of the United States of America and its Constitution, the President and Congress take an Oath of office to support and defend the Constitution against all enemies, both foreign and domestic and that an oath is sworn to faithfully execute the laws of the United States of America. The people presume that to mean any and all legislation will be within the delegated constitutional authority. It is also stated that Congress has no authority to legislate for one of the several states. The jurisdiction of Congress is made perfectly clear as being a district 10 miles square known as the District of Columbia.

Whether by mistake or design, a bankruptcy of the United States was declared in 1933 by President Roosevelt by Executive Orders 6073, 6102, 6111 and Executive Order 6260, and as a result the People of America were declared to be enemies of the government, under the "Trading With The Enemy Act" October 6, 1917, and as codified at 12 U.S.C. 95b. refers to the authority granted in the Act of October 6, 1917 The Trading with the Enemy Act or War Powers Act which was "An Act to define, regulate, and punish trading with the enemy, and for other purposes". This Act originally excluded citizens of the United States, but in the Act of March 9, 1933, Section 2 amended this to include "any person within the United States or any place subject to the jurisdiction thereof". It was here that every American citizen literally became an enemy to the United States government under declaration. According to the current Memorandum of American Cases and Recent English Cases on The Law of Trading With the Enemy, It states I have no personal Rights at law in any court, as all Rights of an enemy to sue in the courts are suspended, whereby the public good must prevail over private gain. This Act also provides for the taking of enemy private property. The Governors of the several States of the Union pledged the full faith and credit of its citizens to the aid of the National Government in perpetuity.

As a declared enemy, what I have always believed to be my private property has never been mine. The only way I can do business or any type of legal trade is to obtain permission from government by means of a license.

It is difficult to believe, that since 1933, all Americans have been pledged for the debt of the UNITED STATES, a private corporation, owed to international bankers, most of whom are foreign to our country. My credit, labor, productivity and property have been used and is now being used as collateral by the incorporated UNITED STATES without my consent. I have lived all my life with no "real" money or property having been reduced to a pauper by what calls itself government acting outside its constitutional jurisdiction with no authority but its own. The nature of the conspiracy to defraud can be best understood in comments by one of the major conspirators in the triumph of establishing the Federal Reserve, "Colonel" Edward Mandell House, who is purported to have said this in a private meeting with President Woodrow Wilson:

"Very soon, every American will be required to register their biological property in a national system designed to keep track of the people and that will operate under the ancient system of pledging. By such methodology, we can compel people to submit to our agenda, which will affect our security as a chargeback for our fiat paper currency. Every American will be forced to register or suffer being unable to work and earn a living. They will be our chattel, and we will hold the security interest over them forever, by operation of the law merchant under the scheme of secured transactions. Americans, by unknowingly or unwittingly delivering the bills of lading [birth certificate] to us will be rendered bankrupt and insolvent, forever to remain economic slaves through taxation, secured by their pledges. They will be stripped of their rights and given a commercial value designed to make us a profit and they will be none the wiser, for not one man in a million could ever figure our plans and, if by accident one or two should figure it out, we have in our arsenal plausible deniability. After all, this is the only logical way to fund government, by floating liens and debt to the registrants in the form of benefits and privileges. This will inevitably reap to us huge profits beyond our wildest expectations and leave every American a contributor to this fraud which we will call 'Social Insurance.' Without realizing it, every American will insure us for any loss we may incur and in this manner; every American will unknowingly be our servant, however begrudgingly. The people will become helpless and without any hope for their redemption and, we will employ the high office of the President of our dummy corporation to foment this plot against America."

Through ongoing deceit and fraud upon the American people, this has come to pass. The national health care bill just passed creates this data base of your biological property!

Under what Authority, or Contract does this government commit such a flagrant violation and intrusion into a man's right of self determination and choice? If there is a contract signed by me to obey and participate willingly in this fraud and deceit and to willingly participate in the destruction of this Nation, present it to me and I will obey. If it cannot be brought forward, know this:

Neither the defacto Congress or the defacto Several States have authority to adjust what may be called the rights of men, those fundamental rights which are the essence of civil freedom; but only to declare and vindicate those fundamental rights which appertain to the essence of citizenship, and the enjoyment or deprivation of which constitutes the essential distinction between freedom and slavery.

The federal government has assumed powers that were never delegated to it, all done in the name of "making this nation more fair." This nation was not founded on the principles of "fairness." It was founded on the principle of "Freedom and Liberty." Every American has the same right to succeed or fail. Every family has the right to decide what they will teach their children. Every person has the right to travel in any state in this nation without having to prove he is an American by showing a 'National or state issued Identity Card.'" Every American has the right to work in the profession of his choice, worship the religion of his choice, marry the person of his choice, live in the neighborhood of his choice, and procure the medical treatment of his choice. The people have the right to do whatever they please with their bodies and not have their actions construed as a crime against the state. All these things are the rights of free people and they do not need permission from government to exercise them by virtue of their birth, not their birth certificate.

The abstract right of individuals to withdraw from the society, of which they are members, is recognized by an uncommon coincidence of opinion; by every writer, ancient and modern; by the civilian, by the common-law lawyer; by the philosopher, and by International Law. It is perceived as the law of nature, and of nature's God.

I have no apprehension that this power, under our American system of government, in which all official authority is derived from the people, and exercised under direct responsibility to the people, has been abused under the claim of Emergency, Necessity, the power to regulate commerce, and the power to borrow money, all done under constructive fraud which was a crime against the people.

The President and the Congress took an oath to support and defend the Constitution of the United States against all enemies foreign and domestic. They swore to faithfully execute the laws of the United States of America. They violated that oath which ended the compact between government and the people. I am exercising my right to election. I am no longer to be considered a 14th amendment citizen of the defacto united states or a citizen of any of the corporate defacto several states. I am now announcing that I am electing to be an American National, citizen of nothing defacto, and will from this day forward serve and owe allegiance only to a government functioning in original jurisdiction after I have deemed it worthy of such consent.

Be it now known to all, I am unwilling to continue to give my assent by silence to Federal and State actors expressions of opinion and willing participation in what seem to me actions calculated to cripple the Constitutional powers of the Several States, and to create a situation of involuntary servitude. I did not volunteer to surrender my GOD given rights, thereby creating the appearance of voluntary acceptance of the status of bonded slave, through federal legislation imposed on the people of the several states. I refuse to be a bonded slave. I will not comply.

Take my name out of your computer systems. Do not expect one dime in taxes from me to support your fraud. All expected responsibilities of citizenship to your defacto system called government are now void. I proclaim my domicile to be the Kingdom of God and since I cannot physically "get out of this world" as of yet, I am to be considered a "sojourner in the land".

Whereas it is my understanding corporations are legal fictions and require contracts in order to claim authority or control over other parties, and,  
Whereas it is my understanding legal fictions lack a soul and cannot exert any control over those who are thus blessed and operate with respect to that knowledge as only a fool would allow soulless fictions to dictate ones actions, and,

Whereas it is my understanding that I have a right to use my property without having to pay for the use or enjoyment of it, and,

Whereas it is my understanding that a summons is merely an invitation to attend and the ones issued by the United States or any of its agencies creates no obligation or dishonor if ignored, and,

Whereas the number two position in that hierarchy is not claimed by anyone on this earth, and,  
Whereas the governments of this nation seem to rely on deception to gain the power to govern, and,  
Whereas I am desirous of living my life as a 'son of God,' and,  
Whereas the only powers able to claim any authority over a 'son of God' is God, and,  
Whereas neither the government, nor its agents nor its representatives or employees are God, or above God, and,  
Whereas by legally claiming the number two position in the above mentioned hierarchy while in the world, I occupy a position above all governments and their agents and employees and representatives,

Be it known to any and all, that on this date, 1May 2010, I William Howard:Morris a free human being, do hereby lawfully claim the status of a 'son of God'.

Any human being who wishes to claim any authority over me must first prove they exist above God; they are God; they are a mediator between me and God; or they have a document upon the face of which can be found the verifiable signature of God.

Failure to first do one of the above mentioned things means all claims to authority is abandoned or is unlawful.

Attempting to exercise any authority over me without first fulfilling one of the four above mentioned requirements is an unlawful act of fraud and/or extortion.
